Achievements 20182023 31032021 View More Humanities and Social Sciences The
Department of Humanities and Social Sciences, established in July 2016, is the youngest of
all departments in the institute. At present, the department provides services to various
departments by teaching a wide spectrum of subjects at the B.E, M.C.A., B.Pharm and M.B.A.
levels. The Department of Humanities and Social Sciences plays a unique and distinctive
role in an institute where the ethos of science and technology prevails. The undergraduate
courses taught by the faculty of the department are aimed at familiarizing the students of
science and technology with the broader social, cultural, economic, ethical and humane
concerns underlying social change. For this, it runs humanity syllabi e.g. Universal Human
Values Economics for Engineers Values, Humanities and Professional Ethics. The courses on
Technical English and Communication Skills, aim at enabling the students to communicate
clearly and with impact, by improving their verbal and nonverbal communication style, as
well as enhancing interpersonal skills. Explore SGSITS Campus MapPhoto GallerySGSITS
