The selection procedure for the various programmes at SGSITS Indore ensures that only the very best of the students make it to their campuses. JEE Advanced Joint Entrance Examination for the B.Tech programme GATE Graduate Aptitude Test in Engineering for M.Tech and PhD programmes Ph.D. Entrance Admissions to the Ph.D programme are based on an interview and an entrance examination conducted by University. World Class Faculty The faculty of SGSITS Indore is not only considered amongst the best within the country but also highly recognized for their achievements in the field of education and research. The Institute is privileged to host faculty who have distinguished themselves as teachers, researchers, and consultants of extraordinary calibre. Nearly all faculty members have doctorates, with many of them having extensive industrial teaching experience in globally renowned organizations universities. In addition, many have substantial industry experience. The faculty of SGSITS Indore is involved in wide range of activities besides substantial academic and research commitments. They contribute significantly to the nations growth in science and technology by making their services available to the various national and state level committees. Many of them also serve on editorial boards of leading journals, as reviewers for publications, on selection committees, and as members of review boards of leading institutions and government agencies. With the aspiration to grow and develop, SGSITS Indore has been continuing its efforts to widen its faculty base. As a measure towards this end, there is a regular induction of, Visiting, Adjunct as well as Faculty on contract basis, into the Institute. Faculty involvement in research and consultancy activity leads to significant output of publications in leading national and international journals. Faculty members are encouraged to interact with peer groups by participating in international conferences and visiting leading institutions for academic and research activities. Ranking Outlook Survey of India, 2015 SGSITS Indore has been Ranked No. 30 among Top 100 Engineering Colleges of India including IITs, NITs, BITs, IIITs. Outlook

Survey of India 2014 SGSITS Indore has been Ranked No. 30 among Top 100 Engineering Colleges of India including IITs, NITs, BITs, IIITs. Outlook Survey of India 2013 SGSITS Indore has been Ranked No. 36 among Top 100 Engineering Colleges of India including IITs, NITs, BITs, IIITs. Research Development SGSITS Indore considers RD activities as pivotal in the pursuit of excellence. The institute plays a vital role in diverse facets of research and development by keeping pace with the rapidly expanding frontiers of knowledge, trying to address national needs and contributing to global development. Its preeminent position at the cutting edge of research is reflected in its impressive catalogue of research projects funded by national and international organizations and industries. It is mandatory for all B.E., B. Pharm., M.E., M.Tech, M. Pharm., M.C.A., M.B.A., M.Sc., and Ph.D. students to take up projects under the guidance of faculty. These include development and application oriented projects. Many of the projects, being sponsored by the industry, provide students with an opportunity to understand and analyse real life problems pertaining to the industry. Faculty members students are encouraged to publish their work in the form of papers in peer reviewed national and international conferences and refereed journals. The institute undertakes research and development projects in various areas of specialization. They can be broadly categorized as following SponsoredContract research Consultancy projects Sponsored student projects SponsoredContract research New projects are undertaken by our faculty members and research scientists, which include long term basic, development and application oriented research projects. These projects entail funding from National International and Government agencies and Industries. Consultancy Projects Varied consultancy projects as given below are undertaken in the Institute Advice Design Technology assessment Process, product and software development Simulation, modelling and optimization Communication design Trouble shooting Testing etc AllRound Development of Students SGSITS Indore promotes a lot of student activities totally managed by students which range from interhostel competitions, festivals conducted at national level to managing facilities like messing and hostel infrastructure. These activities provide multiple platforms for students to improve their soft skills, which are imperative for one to excel in his her work space. Besides, campus is abuzz with activities of various student clubs and organizations. Techfest Aayaam aimed at providing a platform for confluence of students, academia and industry, Techfest has grown over the years to become the biggest of its kind in Asia. Showcasing the latest and the best in RD, the Techfest includes lectures by some of the most eminent personalities of myriad fields in science, technology and management, innovative and exciting competitions or workshops on riveting topics. The festival is completely organized by the students mentored by the senior faculty members, who spend about 3 months conceptualizing, planning and executing each Techfest event. Various cultural activities are organized throughout the year in the form of Performing Arts Festival PAF, Interhostel competitions, professional performances and concerts by renowned artists, exhibitions, talent shows, workshops and lot more. It is a culmination of all cultural arts like dramatics, fine arts, music, dance, literature, debating etc and an event that everyone in the community looks forward to. Clubs for special interests of students there are various clubs like Astronomy Club, Robotics Club, Expedition Club, Quiz Club, Science Club, SAECollegiate Club, Pratibimb The Photography Club, Cricket Club and

RedRibbon Club. These clubs act as a platform to bring together students possessing similar talents and interests and through well organized activities may develop into strong facets of a students personality. Departmental activities are aimed at improving student faculty interaction and to provide a platform for students to improve their innovative skills in their respective fields of interest various workshops, conferences, discussions etc are conducted by students in their department.
